PROJECTS

Momento. — ReactJS, TypeScript, Appwrite, Tailwind CSS 06/2024 - 06/2024

- Developed of a social media platform using React.js, TypeScript, Tailwind CSS, and Appwrite as the backend solution.
- Successfully launched a prototype with 15-20 active users uploading photos and engaging in social interactions.
- Implemented core features, resulting in 50-60 posts shared among users within the initial phase.
- Designed a responsive user interface with intuitive navigation, optimized for a smooth mobile experience. [\(Live\)](#) [\(Github\)](#)

Meal It. — ReactJS, MongoDB, ExpressJS 03/2024 - 03/2024

- Led development of a fully functional food ordering platform, managing end-to-end project lifecycle.
- Implemented real-time tracking, enhancing delivery efficiency by 20%.
- Optimized MongoDB and PayPal integration, achieving 30% faster data retrieval and seamless transactions.
- Ensured responsive design, reducing mobile load times by 25% and improving user interaction speed by 40%. [\(Live\)](#) [\(Github\)](#)

The News. — JavaScript, HTML/CSS, News API 08/2023 - 09/2023

- Developed a real-time news aggregator: Integrated with the News API to fetch data from 20 reliable sources.
- Enhanced user engagement: Achieved a 30% increase in user engagement through real-time updates.
- Improved browsing efficiency: Reduced news browsing time by 25
- Built with HTML/CSS and JavaScript: Ensured optimal performance and user experience. [\(Live\)](#) [\(Github\)](#)

SKILLS

Languages	Java, JavaScript, TypeScript, SQL, HTML/CSS
Frameworks	NextJs, ReactJs, NodeJS, ExpressJs, MongoDB, MySQL, Tailwind CSS, Bootstrap
Developer Tools	VS Code, Postman, GitHub, Netlify, Appwrite
CourseWork	OOPs, DSA, DBMS, Computer Networks, Operating Systems

EDUCATION

Bachelor of Technology, Lakshmi Narain College of Technology 12/2020 - 06/2024
Electronics & Communication Engineering , CGPA: 8.49

12th, Sharda Vidya Mandir 03/2019 - 07/2020
Science with Informatics Practices , Percentage: 70.4%

POSITION OF RESPONSIBILITY

- **Graphic Designer and Volunteer** at We Care Social Welfare Society. Designed educational materials and taught creative workshops, impacting over 40 underprivileged children and improving their academic performance by 25%. 06/2022 - Present

CERTIFICATES

- Infosys Springboard Programming Using Java And Data Structures and Algorithms using Java
- Wipro TalentNext Java Full Stack training program.
- Cisco Networking Academy Introduction to Cybersecurity And Cybersecurity Essentials
